

**D**

Loving you

**A**

Isn't the right thing to do

**G**

How can I ever change things

**D**

That I feel

If I could

Maybe I'd give you my world

How can I

When you won't take it from me

**Bm**

**G**

**A**

You can go your own way

**Bm**

Go your own way

**G**

You an call it

**A**

**Bm**

Another lonely day

**G**

**A**

You can go your own way

**D**

Go your own way

Tell me why

Everything turned around

Packing up

Shacking up is all you wanna do

If I could

Baby I'd give you my world

Open up

Everything's waiting for you

You can go your own way

Go your own way

You an call it

Another lonely day

You can go your own way

go your own way...

END
